Beverage Service Policy for Alcohol

University policy and state law stipulates that the IMU or its designate must be the sole provider of alcoholic beverages served or consumed within the IMU or anywhere on the University of Iowa Campus. Under no circumstances may any alcoholic beverages be taken out of designated service areas.

The set up fee for a bar is \$100.00 minimum per bar for the first hour and \$25 for every additional hour. The set up fee is waived if the sales exceed these amounts. Additional labor will be billed for events held outside the IMU. Six hours is the maximum length of time for alcohol service.

There is a \$50.00 handling fee for each keg of beer ordered. This fee is waived for each keg used.

Service is provided on a cash or hosted basis; in either case the appropriate guarantee will apply. The required guarantee must be made five working days prior to the date of the event.

An appropriate food order must accompany all events with alcoholic beverage service. Non-alcoholic beverages must be offered at every event. The IMU reserves the right to control all events by requiring additional security at the user's expense. Service may also be limited or terminated at any point during the event at the discretion of the Manager on Duty.

Menu and prices are subject to change.
