ACE Externships

You're Fired!

You may not be Donald Trump's next apprentice, but you can job shadow a UI alum over winter break.

Just participate in The Alumni Career Exchange's (ACE) Externship program. Search our database of alumni, find a job that interests you, and spend a week learning more about your area of interest.

During the winter and/or spring break externships offered by ACE, University of Iowa alumni welcome students to job shadow them on a day-to-day basis in order to gain professional experience, career advice, and networking skills. If you would like to learn about a particular career field or gain experience, consider an ACE externship. The UI Alumni Association's ACE office is now accepting applications for winter (January 3-7 or 10-14) externships. Search the externship database and apply on-line at: www.iowalum.com/career

Questions? Call, e-mail, or visit the Alumni Career Exchange at:
335-3301

"Life can only take place in the present moment, if we lose the present moment we lose life"

Buddha

Dear Student Organization Leaders:

Congratulations on a successful semester of programming thus far. On behalf of UISG, I would like to express our appreciation for the diverse activities your organizations are providing for this University. As you know the semester is winding down, and we are focusing on continuous improvements of the financial process through efficiency and effective use of UISG-allocated funds. That being said, here are important UISG financial announcements, so please read carefully. If this applies to you, be sure to mark it in your calendars.

For Priority II and III Organizations:

1. If you have received funding and have not signed your contracts, please do so. Failure to sign by the end of the Fall '04 semester (December 22, 2004) will result in a loss of funds that were allocated to you from Fiscal Year '05 funding to the current Funding Periods (Periods 1 through 3). Clarification: Of contracts you haven't signed, those funds will be put back in the General Funding Account and will be redistributed to other student organizations during the Spring Funding Periods.

2. If you have had an event for which you received UISG funding, and the money has not been spent for that event, please check with the OSL Business Office and submit a reallocation to the UISG Student Assembly Budgeting and Auditing Committee before the December Student Assembly meeting. Note: This is coming up December 7th, so you will want to get the reallocation in as soon as possible. You are able to reallocate the unused money to other line items or future events as long as it complies with the UISG maximum funding standards and constitutional financial by-laws.

For All Organizations:

Please remember that Fiscal Year '06 (July '05-June '06) funding deadlines are coming up as soon as Winter break is over. We would like to give you as much time as possible to prepare your budget applications and excel disks. **Mandatory Budget Workshop meetings are scheduled as follows:**

Priority I's: Sunday, January 23rd at 6:00 pm

Priority II's and III's: January 24th or 25th at 3:00 pm or 5:00 pm (you only have to attend one).

We will be structuring the meetings similar to last year.

For any clarification on your Priority status of your student organization, please contact the Office of Student Life at osl@uiowa.edu or the UISG office at uisg@uiowa.edu. For information regarding the status of funds in your accounts or to check if you have contracts that are not signed, please contact the OSL Business Office at 319.335.3065 or stop by the office located on the first floor, 159 IMU.

Thanks for your time, and I wish you the best of luck with the rest of your semester.

Eden Simmer, UISG Chief Financial Officer

The University of Iowa Dance Marathon

CALLING ALL DANCERS!!! Whether you are a rock star dancer or you have two left feet, we need your help! On February 4th & 5th, 2005, Dance Marathon will be celebrating its 11th anniversary of emotionally and financially supporting families treated by the Children's Hospital of Iowa at the University of Iowa Hospitals and Clinics, with an emphasis on the Division of Hematology/Oncology. This year over 1000 UI students will gather together in the Main Lounge of the IMU to dance for 24-hours to celebrate and remember the many area children who have been diagnosed with cancer. Dance Marathon is still looking for dancers and volunteers. Registration forms are available online at www.dancemarathon.org and must be turned in to the UI Box Office.

On February 4th & 5th, the Main Lounge will be the place to be, so register today and bring a friend. This is one celebration you will not want to miss!

If you are interested in having your event videotaped, call the Student Video Productions Contracts Director at 335-3280 for more details.
