Answer: By attending one session of the 6th Annual Student Organization Orientation. Mark your calendar for September 22 or 23.

When are they being held?

The University of Iowa
Office of Student Life

The Office of Student Life Welcomes New Staff!

We would like to welcome Kelley Ashby (Associate Director), Cheree Rawlins, Riddhi Sandil, Jonathan Sexton, and Scott Graves (Graduate Assistants) to the Office of Student Life.

Prior to coming to The University of Iowa, Kelley Ashby was the Director of Wellness, Leadership, and Outdoor Programs in the Student Services Department at Buena Vista University. She took classes last year in the Student Affairs Administration Research and Educational Measurement and Statistics doctoral programs. Kelley enjoys anything outdoors--from kayaking, backpacking, camping and rock climbing, to spending time with her partner and 2 year old Boxer, Cheyenne. She also enjoys music, movies, reading and traveling. She is looking forward to connecting with students and is beginning to lay the groundwork necessary to build a comprehensive leadership development program. Also, she enjoys working with and learning from some phenomenal student leaders and colleagues!

Scott joins us from Des Moines, Iowa, where he worked as the Financial Aid Administrator of Vatterott College, a small, private, career training school. He graduated from Drake University with a degree in Accounting/Management and spent one year working in London. He enjoys hanging out with family and friends, traveling, and playing sports such as golf, tennis, racquetball, basketball, and volleyball. One of the things he would like to accomplish this academic school year is to survive being back in school, learn about his field (student development), and get to know all of the great people around him. Scott is the Graduate Assistant for Fraternity/Sorority Life.

Jonathan graduated from Central College with a Bachelor's degree in Psychology. He was heavily involved with TRIO programs (Upward Bound and Talent Search) and spent a lot of time making lattes at the local coffee house. His favorite hobbies are playing guitar, singing, and listening to music. He also enjoys playing basketball and running. His goal this year is to learn as much as possible about the field of student development. He is the Latino Native American Cultural Center manager and wants to create a vibrant atmosphere at the center!

Cheree Rawlins is the new manager for the Afro-American Cultural Center and she is no stranger to our office. Cheree graduated from The University of Iowa with her Bachelor's degree in Arts in Political Science, and a minor in Religion. She enjoys traveling, reading poetry, dancing, and of course spending time with her niece and nephew. Her overall goal is to enhance the visibility of the Afro-American Cultural Center and to implement the Black Speaker Series and Black Cinema Series.

Riddhi Sandil is the Asian Pacific-American Cultural Center manager. She graduated from Knox College in Illinois and is pursuing a Ph.D. in Counseling Psychology. She enjoys reading, writing fiction, dancing, working out and meeting people. She is looking forward to promoting the APACC and educating and serving all members of the UI community.
